

# SMART THERMOSTAT REBATE

## Summit Natural Gas of Missouri

Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted.

SEE OTHER SIDE FOR COMPLETE INSTRUCTIONS.

**Send completed forms to:** Summit Utilities Rebates 16350 Felton Rd. Lansing, MI 48906

SNGMOTH0120

**Equipment qualification:**

- ENERGY STAR-certified smart thermostat (see [energystar.gov](http://energystar.gov)) installed in a residentially-metered building
  - rebates limited to 2 units per residence/Contract Account OR number of rebate-eligible furnace installed concurrently, whichever is greater (Ex. if installing smart thermostats with 3 rebate-eligible furnaces, all 3 smart thermostats are eligible for a rebate)

Participants must have an active gas account with Summit Natural Gas of Missouri (SNGMO).

All submissions must include dated sales invoices/receipts. Invoices/receipts must include equipment retail price, brand, model number, and serial number.

No rebate will exceed equipment purchase price.

Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted.

Builders and installers are eligible to receive their customer's rebates if a discount to the customer for the rebate amount is shown on the submitted invoice.

Natural gas equipment replacing electric equipment is not eligible for a rebate.

Equipment installed under warranty replacement is not eligible for a rebate.

Please allow 6-8 weeks from the date a completed application is submitted to receive a rebate payment.

Summit Natural Gas of Missouri reserves the right to inspect all rebated equipment.
